

BARNT GREEN SURGERY

From the 5th of August for approximately 8 weeks, the practice will be undergoing a major refurbishment within its reception area that will affect access to the building. We need to ask for your patience and understanding during this time when the following will apply:

- That you avoid coming down to the surgery unless attending for an appointment and use our website and Facebook pages as a first means of finding out the information you may need.
- There will be no parking available at the surgery or access to the car park for any vehicles
- We would ask, unless requested otherwise by the clinical team that you accept a telephone appointment rather than asking to be seen face to face.
- If you do need to attend the practice that you only arrive at your appointment time as there will be no waiting room and you may be required to wait outside regardless of the weather conditions, so please come prepared.
- Sign up to the NHS APP to order your repeat prescriptions and see information about your medical records.
